Easing readers gently into the study of the structure of English, Grammar: A Pocket Guide covers common questions such as: Is it "10 items or less" or "10 items or fewer"? Should I say "If I were you" or "if I was you"? Can you start a sentence with "And" or "Because"? When do you use "whom"? What is the difference between "lie" and "lay"? Is it "I feel bad" or "I feel badly"? Using examples from everyday speech and writing, this handy book "cracks the code" of off-putting grammatical jargon so that readers can enjoy learning how to think and talk about grammar. With practice exercises, a glossary, and suggestions for further reading, Grammar: A Pocket Guide is the perfect foundation for anyone wanting to improve his or her writing and communication. A clear, precise, and comprehensive book that will give children the tools to build confidence in reading, writing, and comprehension through visual explanation. From when to use a preposition or pronoun to how to use a comma or colon, Visual Guide to Grammar and Punctuation covers all the most important grammar topics in DK's signature style. Each example provided is supported by a picture, making it accessible and comprehensible, and clear and simple text and repetition help to solidify knowledge and understanding. Visual Guide to Grammar and Punctuation will improve a child's confidence in using the building blocks of reading and writing, and is a book they will refer to again and again. A user-friendly reference guide plus workbook containing the most important rules of English grammar, punctuation, capitalization, and writing numbers that people need every day. Full of helpful, real-world examples, exercises, tests, and answers. Perfect for business professionals, professors, teachers, students, and home schooling families, The Blue Book of Grammar and Punctuation is used in hundreds of universities, high schools, middle schools and corporations through the United States as well as in developing nations. Take an online quiz, get editing help, order the book, join the Q&A club, read Jane Straus's articles, or register for her monthly newsletter. The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by

eleven chapters, broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real-life sample sentences, timeline diagrams, tables, and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross-references to that point. Where appropriate, chapters begin with guiding questions and end with revision questions. Most of the chapters are followed by exercises, including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules; a list of the quotes that appear in the book; and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest, as well as for systematic study, either as a self-study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross-references, which will lead you to further information on a given item. The exercises, which come with suggested answers, are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real-world meaning. Widely considered to be one of the world's best Legal English teachers, Michael Davies has been teaching the subject for 15 years to lawyers and law students around the world. Using his unprecedented expertise in this subject, Michael explores the grammar of Legal English and provides readers with explanations and examples that will enable you to understand the subject more confidently and take your knowledge into your spoken and written communication. Become a more powerful and effective communicator of Legal English with this book. An easy-to-follow guide for all of your grammar needs. With clear text, appealing cartoons, and a focus on common grammatical errors and how to correct them, this little volume is a real gem that should find a permanent place with companies, universities, and anyone seeking a user-friendly guide to style and usage. Presents an easy-to-follow guide to English grammar basics, from spelling and commonly misused words to punctuation, parts of speech, and common grammatical mistakes. How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing: • Individual words - spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings • Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity • Syntax and structure - agreement of subject and verb, parallel construction, modifiers, tenses, pronouns, active versus passive voice, and more • Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and clichés, and subtlety Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally. This book is an alphabetical guide to one hundred basic grammatical terms, with explanations, examples and exercises. For beginners to advanced students, this warm and witty guide to writing includes a writing style chapter and a guide to writing everything from school papers to letters to e-mails. PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented workbook is packed with grammar practice activities that make learning English grammar incredibly easy. The English for Everyone Grammar Guide Practice Book is an essential companion to the English for Everyone Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practice using the most important English grammar constructions again and again. Ideal for students at all levels, the English for Everyone Grammar Guide Practice Book covers basic, intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence. An engaging and fresh take on the rules and politics of English grammar, written in lively prose. It goes a step further than most books on grammar by providing an overview of the field, with a discussion of historical and current debates about grammar, and how we define, discuss, and approach it. Presents a novel, inquiry-based approach to

understanding speakers' unconscious knowledge of English grammar Makes lucid connections, when relevant, with current linguistic theory Integrates language change and variation into the study of grammar Examines historical sources of socially evaluative perceptions of grammar, as 'good' or 'bad', and notions of language authority Provides syntactic explanations for many modern punctuation rules Explores some of the current controversies about grammar teaching in school and the role of Standard English in testing and assessment The fast, easy way to master the essentials of Spanish Now, learning Spanish can be as easy as uno, dos, tres! Combining the quick-reference virtues of a phrase book with the learning tools of a full-fledged language course, this popular guide gives you a solid start. Completely revised and updated for today's usage, Practical Spanish Grammar gives you: * A proven interactive format that has been tested, rewritten, and retested to ensure you can teach yourself at your own pace * Exercises to reinforce what you've learned * Clear explanations of approximately 80 percent of Spanish grammatical structures * Over 1,000 of the most frequently used Spanish words * Sample dialogues with cultural notes and lists of terms A comprehensive guide to the grammatical forms, rules and usage patterns of all 12 aspects of the English language, The English Tenses: Practical Grammar Guide is ideal as either an accompaniment to core texts or as a full self-study guide. For English learners of an intermediate level and above, this book introduces the reader to flexible uses of the English tenses, with simple, easy-to-follow explanations and colourful examples. This guide explains the theory behind the grammar of the different aspects of English, as well as the many ways native English speakers adapt the rules. It covers simple, continuous, perfect and perfect continuous forms in the past, present and future, explaining their uses for showing time, emphasis and other purposes. Also covered are the specific applications of bare infinitives, participles and time clauses. Phil Williams, tutor and author of the website "English Lessons Brighton," takes the reader from the past, to present to future, in a friendly, readable style - carefully comparing the tenses along the way. The book offers valuable advice to guide students towards more natural, and fluent, use of advanced English language. It highlights confusing areas in grammar, and compares individual tenses directly, to show how the rules are applied and can sometimes change. This guide focuses directly on the aspects of grammar that teachers need to know. Assuming little or no formal linguistic training, this text provides the necessary background knowledge required in the classroom context, with chapters on words, phrases, verbs and clauses. Grammar Troublespots, 3rd edition, provides an excellent aid for ESL writing students at the high intermediate level and above. It helps them identify and correct the typical errors that they are likely to make as they attempt to write, with the emphasis in this new edition on errors made in writing formal academic discourse. The book has 21 units. Each one examines an area of grammar, such as verb tense choice, article usage and modals, and then pinpoints the most troublesome grammar points within that area. Each unit provides a straightforward description of the grammar point, supported by plentiful clear examples, grammar charts and tables. The two-color new edition will be easier to use, with exercises such as error identification, error correction and sentence construction tasks consistently following each grammar point. Each unit ends with a writing assignment and a flowchart to help students diagnose their writing problems and edit their writing. The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction. A good working knowledge of grammar is important in becoming a better writer and speaker. This user-friendly guide includes advice on parts of speech, inflections, syntax, punctuation and spelling. The examples and exercises throughout help put into practice the techniques and skills explored. Blake's Grammar Guide contains simple concise definitions of grammatical terms with practice exercises and examples of how to apply them. There are nine sections covering traditional grammar: Nouns; Verbs; Adjectives; Pronouns; Adverbs; Phrases; Sentences; Clauses and Conjunctions. Each section contains a simple definition of the grammatical term, an example of the usage and a quick TRY THIS, quiz to allow students to consolidate and test their new knowledge. Blake's Grammar Guide also includes: a section on functional grammar that explores and explains the experiential, interpersonal and textual functions of language, a comprehensive glossary for quick reference, a detailed index, answers for the TRY THIS, quizzes, an Australian Curriculum Correlation table The guide also includes Curriculum Correlation tables that link the content to the new Australian Curriculum and is an ideal resource for all primary students. Answers for the TRY THIS activities are also provided. THE KNOWLEDGE YOU NEED TO BE A GRAMMAR GURU. How you speak and write can say a lot about you. Grammar makes a lasting impression, but learning it can seem like a never-ending parade of

complicated and contradictory rules! - * Explanations of the more intricate grammatical rules of Spanish
- * Special !Atencion! sections that focus on problematic words and structures

Provides information on grammatical rules and how to use them, with advice on adding variety to writing, and examples of the right and wrong way to say things. English grammar is often said to be over-complicated and difficult to get to grips with but the truth is that, while there are certain rules that should be obeyed, the language evolves and develops over time - and quite rightly so. In this book, Joseph Piercy outlines the 25 rules that should be adhered to in written and spoken English, defining the rules themselves and then decoding them for the layman so that he or she understands each rule and how it has been used and developed over time. In doing so, the author highlights the most common misuses - or plain errors - in the language, while also setting the reader on to the right path to speaking and writing in good, plain English. "The definitive guide for writers who want their prose to be both memorable and correct"-- Grammar, the structure of a language, is often the subject of confusion. The Bloomsbury Grammar Guide is an easy-to-use handbook which provides the answers. Updated and revised throughout, the new edition is essential reading for all writers and readers of our increasingly dynamic and global language. It contains:

- Words, phrases, sentences and clauses
- Punctuation - where and how to use everything from the colon to the slash
- Figures of speech and literary devices
- Common errors
- an A-Z list of easily confused words

'A Cook's tour of the English language' Oxford Times You ain't gonna like it: bad grammar's not so bad. - The Times Remember all those grammar rules from school? No? Most of us don't. Mike McCarthy, renowned corpus linguist and co-author of the 900-page Cambridge Grammar of English answers the awkward questions that regularly bother us about English grammar. In this helpful A-Z field guide, McCarthy tells us what the conventional rules are as well as shows us what people are writing or saying now and gives simple reasons why you might choose one or the other so that you can speak and write with confidence. Through witty and entertaining examples pulled from 50 years of teaching, 40 years of field notes picked from books, newspapers, letters, radio and TV, etc., and shamelessly eavesdropping on people's conversations in public spaces, and a British and American English computer database, McCarthy has created a book to browse and enjoy, as well as a useful reference to keep on your bookshelf. Why a Field Guide to grammar? - A to Z format makes it easy to access and to find what you're looking for - Presents solutions to a host of common, everyday grammatical problems - References current events to bring relevance to the grammar (fronted adverbials anyone?) - Looks at historical usage to illustrate how the English language has evolved, and continues to evolve - Gives guidance on appropriate usage where more than one way of saying something exists - Distinguishes between spoken and written grammar where appropriate - includes advice on vocabulary, spelling, pronunciation, punctuation and style - Compares North American and British grammar, and includes Englishes from around the world - Charming drawings to illustrate the playfulness in the English language - Grammar guide backed by data and research True to the Chambers name, this field guide is as much quirky as it is informative. It is the perfect gift for any language lover,

student, teacher, struggling parent or carer supporting their child's schooling, the grammar purist or the grammar descriptivist. The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.
